3rd BVR International Conference 9th November, 2019 at Dhaka, Bangladesh

Bangladesh Vitreo- Retina Society (BVRs) is the professional society of all Vitreo-Retina specialists of our country. We are working on to enhance the vitreo-retina services in the country, to increase the skill of the Vitreo-Retina specialist as per current world trends and to disseminate the management of Vitreo-Retina disorders to all other ophthalmologists.

3rd BVRs International Conference is our 3rd initiatives to disseminate the updated management of Vitreo-Retina disorder to all other ophthalmologists.

Congress Objectives

- To showcase the most recent and cutting-edge clinical and research studies and outline new trends in the diagnosis and treatment of vitreo-retinal diseases.
- To provide a platform for fruitful scientific exchange, presentation of high-quality scientific studies and research.
- To promote the exchange of expertise and to disseminate the most updated clinical practice and international gold standards.
- To delegate an opportunity to network, make and renew professional relationship.

Invitation

Dear Colleagues and Friends,

Bangladesh Vitreo-Retina Society feels honored to invite you to the **3rd BVRs International Conference** which will be held during **9 November 2019** at **Radisson Blu Dhaka Water Garden, Bangladesh**. The conference will include speaker presentations, seminars, symposiums and workshops on the latest treatment innovated in the field of vision, particularly Retina-Vitreous.

This year's conference theme "Sharing Vision" will act as a platform to exchange information, new interventions to bring research into clinical practice through networking.

We are sure that you will be immensely benefited from all of our scientific presentations.

Looking forward to your kind presence in the Conference.

Dr. Niaz Abdur Rahman
President
Bangladesh Vitreo- Retina Society

Dr. Tariq Reza Ali

Membership Directory Update

VRS-I is in the process of updating its database with the latest address, email id and contact number of the member. This exercise shall help in improving better communication with the members.

As a member, you can verify or update your profile using any one of the following ways.

OPTION 1

1. Login to www.vrsi.in using your email id and password.
2. Visit "My Profile".
3. Verify the data and make necessary changes.
4. Save.

The secretariat shall update the records into the database within 2 working days and acknowledge

OPTION 2

Send your VRSI membership number, full name, address, email id and mobile number to support@vrsi.in. Your information shall be changed and acknowledged in 2 working days.

OPTION 3

Whatsapp VRSI membership number, full name, address, email id and mobile number to 9843846776 and be assured of a revert after the update within 2 days.

Don't know your VRSI membership number? Needn't worry. Send us an email and hear from us within 2 working days.

Your friend, a VRSI member?

Please share the details of your 'VRSI member' friend with us by email or whatsapp. We shall contact them, verify the data and update the profile.

VRS-I CME

VRS-I invites members of non-metro cities to submit proposals for CME & Diabetic Retinopathy programs. VRS-I will provide limited support and help promote the screening of Diabetic Retinopathy. Interested members can submit their proposal with Objective, Target audience, and Budget to Dr. Raja Narayanan, secretaryvrsi@gmail.com

Call for submissions to

The Official Newsletter of the Vitreo Retinal Society of India

Original articles:

These include randomized controlled trials, intervention studies, studies of screening and diagnostic test, outcome studies, cost effectiveness analyses, case-control series, and surveys with high response rate. The text of original articles amounting to up to 3000 words (excluding Abstract, references and Tables) should be divided into sections with the headings Abstract, Key-words, Introduction, Material and Methods, Results, Discussion, References, Tables and Figure legends.

Review Articles:

It is expected that these articles would be written by individuals who have done substantial work on the subject or are considered experts in the field. A short summary of the work done by the contributor(s) in the field of review should accompany the manuscript.

The prescribed word count is up to 3000 words excluding tables, references and abstract. The manuscript may have about 90 references. The manuscript should have an unstructured Abstract (250 words) representing an accurate summary of the article. The section titles would depend upon the topic reviewed. Authors submitting review article should include a section describing the methods used for locating, selecting, extracting, and synthesizing data. These methods should also be summarized in the abstract.

Case reports / Challenging case / Innovations / Instruments / Techniques

New, interesting, challenging, rare cases, innovations, instruments and techniques can be reported. They should be unique and providing learning point for the readers. Manuscripts with clinical significance or implications will be given priority. These communications could be of up to 1000 words (excluding Abstract and references) and should have the following headings: Abstract (unstructured), Key-words, Introduction, Case, Discussion, Reference, Tables and Legends in that order.

The manuscript could be of up to 1000 words (excluding references and abstract) and could be supported with up to 10 references. Case Reports could be authored by up to four authors.

Guidelines for the manuscript submission in VRSI Newsletter: www.vrsi.co.in

Please submit manuscripts to Dr Anand Rajendran: anandrjn@gmail.com
