## VRS-I CME

VRS-I invites members of non-metro cities to submit proposals for CME & Diabetic Retinopathy programs. VRS-I will provide limited support and help promote the screening of Diabetic Retinopathy. Interested members can submit their proposal with Objective, Target audience, and Budget to Dr. Raja Narayanan, [secretaryvrsi@gmail.com](mailto:secretaryvrsi@gmail.com)

## Call for submissions to

### The Official Newsletter of the Vitreo Retinal Society of India

#### Original articles:

These include randomized controlled trials, intervention studies, studies of screening and diagnostic test, outcome studies, cost effectiveness analyses, case-control series, and surveys with high response rate. The text of original articles amounting to up to 3000 words (excluding Abstract, references and Tables) should be divided into sections with the headings Abstract, Key-words, Introduction, Material and Methods, Results, Discussion, References, Tables and Figure legends.

#### Review Articles:

It is expected that these articles would be written by individuals who have done substantial work on the subject or are considered experts in the field. A short summary of the work done by the contributor(s) in the field of review should accompany the manuscript.

The prescribed word count is up to 3000 words excluding tables, references and abstract. The manuscript may have about 90 references. The manuscript should have an unstructured Abstract (250 words) representing an accurate summary of the article. The section titles would depend upon the topic reviewed. Authors submitting review article should include a section describing the methods used for locating, selecting, extracting, and synthesizing data. These methods should also be summarized in the abstract.

#### Case reports / Challenging case / Innovations / Instruments / Techniques

New, interesting, challenging, rare cases, innovations, instruments and techniques can be reported. They should be unique and providing learning point for the readers. Manuscripts with clinical significance or implications will be given priority. These communications could be of up to 1000 words (excluding Abstract and references) and should have the following headings: Abstract (unstructured), Key-words, Introduction, Case, Discussion, Reference, Tables and Legends in that order.

The manuscript could be of up to 1000 words (excluding references and abstract) and could be supported with up to 10 references. Case Reports could be authored by up to four authors.

Guidelines for the manuscript submission in VRSI Newsletter: [www.vrsi.co.in](http://www.vrsi.co.in)

Please submit manuscripts to Dr Vishali Gupta: [vishalisara@yahoo.co.in](mailto:vishalisara@yahoo.co.in)
